I, Karl Schaffenberger, state under penalty of perjury as follows:

I am a Questioned Document Examiner and have been so employed for sixteen (16) years. My resume is attached.

I have examined thirty five (35) disputed signatures of Christopher N. Tarkenton, Dallas M. Tarkenton, III and Stephen D. Tarkenton and compared them to thirty two (32) signatures of Dallas M. Tarkenton. This was done in an effort to determine whether any of the disputed signatures are by the hand of Dallas M. Tarkenton.

The four (4) disputed signatures of Christopher N. Tarkenton (Q-1 through Q-4) are, in all probability, by the same hand. I have compared the disputed signatures to the signature of Christopher N. Tarkenton appearing on the Voter Registration Card (739676) and have reason to suspect that they are not by the same hand. Unfortunately I have only one (1) standard for Christopher N. Tarkenton

Re: Dallas M. Tarkenton (page 2)

This examination has produced more questions than answers. The proper way to resolve these issues would be through the appropriation and examination of original documents (all the documents examined were photocopies with the exception of 1 FAX copy) as well as adequate standards for the signatures of Christopher N. Tarkenton, Dallas M. Tarkenton, III and Stephen D. Tarkenton.

Respectfully submitted,

Karl Schafgenberger
Document Examiner
